'Best of British' Menu

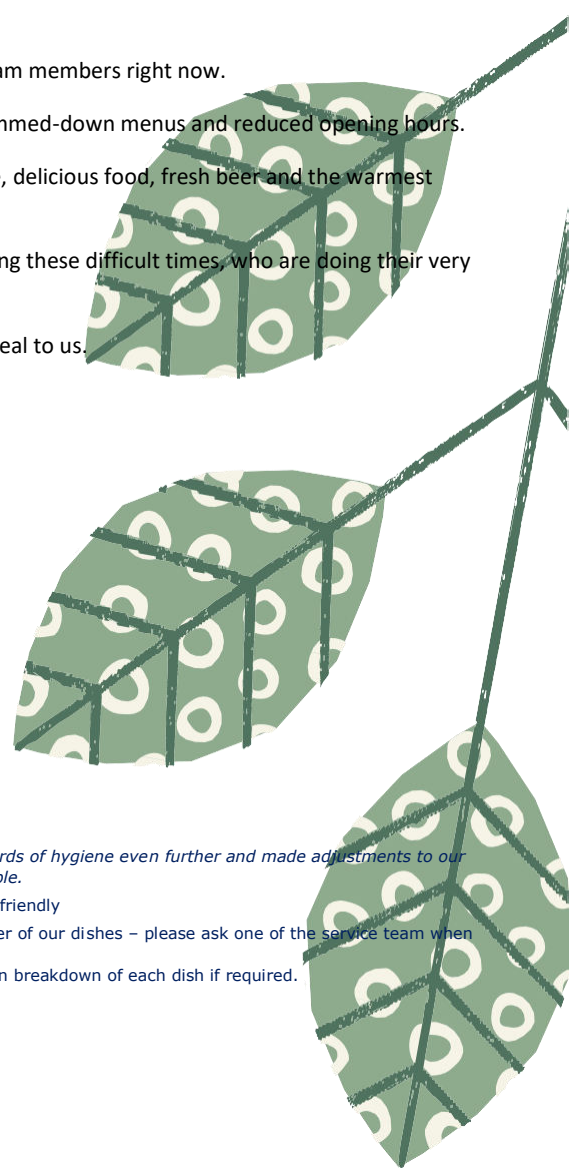

Like so many hospitality venues, we're having difficulty recruiting team members right now.

When you visit us, you may notice slight differences, including shorter food service times, slimmed-down menus and reduced opening hours.

It goes without saying that we remain 100% committed to offering you a great experience, delicious food, fresh beer and the warmest welcome. That bit will never change.

We apologise if your order takes a little longer than usual, but please bear with our team during these difficult times, who are doing their very best doing their best.

Thank you for your understanding – it means a great deal to us.

The safety and wellbeing of our customers and team members is our top priority. We have enhanced our standards of hygiene even further and made adjustments to our new menu and service to keep everyone as safe as possible.

V – vegetarian, GF – gluten free, DF – dairy free, VN – vegan friendly

not all dishes come naturally as gluten free, dairy free or vegan friendly but we provide these options on a number of our dishes – please ask one of the service team when ordering.

some of our products may contain small bones or traces of nuts please ask for a full allergen breakdown of each dish if required.
